## Education

- 9-Month Diploma, Information Technology Institute (ITI), Oct.2012 – June 2013  
System Development Department, Professional Developer track.

**List of courses:** [here](#)

**Graduation Project:** Electric Circuits Simulation using Augmented Reality, the user will display the circuit as whole and system will then convert them to 3D components with which the user can interact with by changing values of its components and notify the output in real time experiment.

- B. Sc of Computer Engineering, Sep 2007 – Jun 2012  
Faculty of Engineering, Benha University.  
Accumulative Grade: Very Good (74.72%)

**Graduation Project:** Augmented Reality User Interface (ARUI), an application by which user can interact with his/her personal computer using his/her hands.

**Project Grade:** Excellent

## Personal Skills

- Cooperative and very active one.
- Highly creative and self-independent.
- Has a very good communication skill.
- Knowledge-seeker.
- Challenge- lover
- Well-presenter

## Languages

- Arabic: Native Language
- English: Fluent

## Technical Skills

### Programming tools

- C#
- WPF (Windows Presentation Foundation)

### Database tools

- MS SQL Server 2008 and 2012 development and administration

### Web tools

- ASP.NET
- ASP.NET MVC 4
- WCF
- XML Web Service
- HTML, JavaScript, JQuery and HTML5

### MS SharePoint Server 2010 and 2013 Administration

- Installing SharePoint
- Configuring Service Applications
- Configuring Search
- Configuring farms
- Customizing web applications, Site Collections, Lists, Libraries, Web Parts...etc. using the Browser and SharePoint Designer.

## MS SharePoint Server 2010 and 2013 Development

- Developing SharePoint Projects
- Developing custom web parts
- Developing SharePoint Workflows
- Developing custom activities

## General Knowledge

- Cloud computing concepts
- C# design patterns
- Business intelligence and data mining concepts
- Software Engineering concepts and UML design

## Extracurricular Activities

- Founder of “3S” Academy in 2008.
- Member at Resala Charity Organization.
- Joined The ACM International Collegiate Programming Contest (ICPC).

## Personal Information

Military Status: Exempted
